RE-OPENING OF THE TEVET COLLEGES

24th January, 2024

The Ministry of Technology and Science has been following the trend on the rising numbers of Cholera cases in the Country. Following the announcement by Government on the change of date for opening of schools, I wish to mention that the Technical Education, Vocational and Entrepreneurship Training (TEVET) Institutions will have the calendar dates for 2024 as follows:

Term One

Opening Date: 12th February, 2024
Closing Date: 26th April, 2024

Term Two

Opening Date: 6th May, 2024
Closing Date: 9th August, 2024

Term Three

Opening Date: 2nd September, 2024
Closing Date: 6th December, 2024

In view of the foregoing, all TEVET institutions are being directed to **conduct extensive preventive, monitoring and maintenance activities in order to provide a safe learning environment for the learners and members of staff** which include and are not limited to the following:

- a. Provide chlorine, soap and hand sanitizers within the colleges;
- b. Place hand washing facilities at all entrances of hostels, lecture rooms and laboratories;
- c. Information Education and Communication manuals on cholera to be posted on campus; and
- d. Ensure that hostels and surrounding areas are thoroughly cleaned and sanitized regularly.

Further, kindly be informed that the situation is subject to review by the Ministry of Health dependent on how the pandemic evolves.

Hon. Felix C. Mutati, MP
MINISTER OF TECHNOLOGY AND SCIENCE
