SUBJECT: PUBLICATION OF NOVEMBER/DECEMBER 2023 EXAMINATION RESULTS.

Reference is made to above captioned subject matter.

The Authority wishes to inform all training institutions that it has published the November/December 2023 examination results. Candidates who sat for this examination session level 4 (Certificate), level 5 (Advanced Certificate) and Level 6 (Diploma) will access their results using Short Message Services (SMS).

The Procedure is as follow:

1. On your phone connected to any network (Airtel, MTN or Zamtel) dial *885*302# or *885*303#.
2. A screen will be displayed welcoming you to the TEVETA Results Platform wherein a Student Number will be requested to move forward.
3. Once the Student Number is provided, the system will display your names and request you to select 1 to proceed or 2 to cancel.
4. If you decide to select 1 to proceed, another screen will be displayed that will show the course in which you are enrolled in. Please note, some learners have enrolled in more than one course, and all these will be displayed at this point.
5. You then choose the course you want to check the results by picking the number attached to it.
6. Once the course is selected, a list of sessions you attempted TEVETA Assessments and Examinations will be populated on the screen. Select the option you want to check your results.
7. A screen will pop up that will request for payment to be made to access the results by choosing 1 to Proceed to Pay.
8. Your mobile money PIN will be requested to proceed.
9. After this, your phone will receive two messages. One confirming your payment and the other one from TEVETA with the results.

The Candidates should ensure responses to the above are done in a timely fashion to prevent cut in connectivity as delaying responding may distort your connection to your service provider network.

Please note, this facility is only available for Regular (Certificates, Certificates in Advanced and Diploma) and Skills Award Programmes students. Training institutions, Trade Test and Secondary Schools Vocational Education Training (VET) students will continue receiving their results in the same old way until further notice.
