OCTOBER 2021

FINANCING SKILL TRAINING FOR EMPLOYER BASED IN-SERVICE TRAINING

Background

The Skills Development Levy was established in 2016 under the Skills Development Levy Act No. 46 of 2016. The main objective of the levy is to provide financial resource for the TEVET sector for skills development in collaboration with the Technical Education, Vocational, and Entrepreneurship Training Authority (TEVETA), which was established under the Technical Education, Vocational and Entrepreneurship Training Act of No. 13 of 1998 and the amendment Act No. 11 of 2005. Among the responsibilities of TEVETA, is the management of the Technical Education, Vocational and Entrepreneurship Training (TEVET) Fund. The Skills Development Fund (SDF) plays an important role in assisting the Government of the Republic of Zambia (GRZ) to develop a high quality, sustainable, demand-driven, and equitable TEVET system, and one of the mechanisms used in achieving this objective is the TEVET Fund.

The TEVET Fund establishes a financing platform that purchases training services from public providers, on a competitive basis, for skills development in both the formal and informal sectors of the economy, at an arm's length transaction. It plays a critical role in the reform of the TEVET system by separating the provision of training from its financing. It also shifts the focus from quantity to quality. As a financier of training being procured from TEVET providers, the TEVET Fund is able to introduce standards and accountability to the system for the desired outcomes. The Fund also introduces performance incentives for training providers and, through its stakeholders, establishes rules for spending on training services that promote national development objectives, including equitable access.

1.2 INVITATION TO EMPLOYERS AND TRAINING PROVIDERS

The Government of the Republic of Zambia, using proceeds from the Skills Development Fund under the Ministry of Technology and Science, has set aside funds towards the implementation of the Employer Based In-Service Training activities for the Formal Sector through the TEVET Fund.

The TEVET Fund is hereby inviting Employers in collaboration with Training Institutions registered with TEVETA, under the Technical Education, Vocational and Entrepreneurship Training Act No. 13 of 1998 and the amendment Act No. 11 of 2005, to present proposals for support through the TEVET Fund towards skills development for **SDF Window – Employer Based In-Service Training**. This financing is available to Employers and TEVET providers whose request for financing will be considered responsive to the disbursement criteria.

Funding will be directed to skills development in the formal sector and is expected to focus on higher level skills to be provided by public or private training institutions in collaboration with employers.
